

Stonham Barns

Showground Events

2018

Welcome to another exciting year of fun & entertainment at Stonham Barns

Stonham Barns Leisure & Shopping Village is a busy vibrant site offering an abundance of attractions and activities to suit all ages, making this the perfect family day out in the Suffolk countryside. Situated on the A1120 Tourist Route near Stowmarket.

Within the market square is the wonderful boutique shopping village with a large selection of small unique shops and large commercial business, allowing a

shopping trip to Stonham Barns to always be a personal experience, with an extremely well stocked and varied range of products on offer including gifts and crafts, jewellery, clothes, furniture, aquatics, toy shop, garden centre, beauty treatments and homewares. All of the businesses provide a fantastic customer service experience and will go the extra mile for everyone.

If you are in need of refreshments during your busy day visiting all the facilities at Stonham then why not pop into our newly refurbished bistro. They offer a large selection of excellent quality locally produced food and drinks from cream teas to a full roast dinner all set in a warm and welcoming environment so whether it's tea for one or lunch for a few they can cater for you. The bistro can also cater for larger groups for weddings, parties, conferences, coach tours and events.

Our Showground hosts annual Events including Steam and Vintage Show, Classic/American Car Shows, Country Music Festival, Antique and Collectors Fayre, Truck Shows, Dog Shows, Halloween and Fireworks, with many other events happening most weekends. Keep up to date by following us on social media. Look out for the range of new shows for 2018

The whole site is 'dog friendly' so no need to leave them at home bring them with you to enjoy the fun. All areas are disabled accessible with designated parking areas, and wheelchairs/walkers available if required.

A weekly car boot (March to November, weather permitting) adds to the facilities. Every Sunday the popular car boot is situated on the front overflow car park, offering buyers and sellers the opportunity to trade for a few hours.

Visit The Suffolk Owl Sanctuary with over 80 different owls and birds of Prey, as well as The Meerkats in their own 'Manor' and also the ferrets. Come along and see the flying displays (between Easter and end of September, weather permitting) and take a lovely stroll along the woodland walk where you are able to see if you can spot the red squirrels. See if you can find your way through the mini maze and children complete the SOS safari.

The World Famous Teapot Pottery is also here, where you can see amazing hand-crafted teapots, which are supplied to some of the most prestigious companies in the world including Harrods, Bloomingdales and Macys. If you enjoy painting why not come along and create your own design.

How about putting your golfing skills to the test on the 9 hole golf course which will challenge both amateur and professionals, for a bit of fun play our new pirate themed adventure golf instead or how about trying something different, we now have the hottest new sport in the world FootGolf it is good exercise and good fun for all ages.

For our smaller customers there is the new Tumbledown soft play barn ideal for tiring them out, there is also an outdoor play zone with bouncy pillow, a real static steam train and fairground rides (seasonal) so plenty to keep them busy.

With so much going on come and stay in the Holiday Park. You can bring your tent, caravan or motor home or book into one of our static holiday homes. They are all fitted out and ready to welcome you so you can enjoy a lovely relaxing holiday whether you are staying for a couple of nights or a few weeks.
