

## Windy Valentine's Day Results – 14th February

It was quite a good turnout today considering the conditions, Hurricane Dennis was on its way and a very high tide on the new lake which covered half of the swims.

Eight People fished the "Old" lake and seven on the "New" gave us 3 sections.

**The Results are as follows: -**

Congrats to **Steve F** who won his section on the "New Lake" with a great weight of 34lbs 8ozs, also to the section winners on the "Old Lake" **Steve Ling** with 16lbs 12ozs and **Gerry G** with 10lbs 8ozs

As you can see the weights were low this week but this was down to the "challenging" weather and probably the 6 months' worth of cold rain that fell in the last day or so.

Thanks to **Alan** and **Steve B** for drawing the pegs and bringing round the Sausage Rolls & Hot Drinks – it is always much appreciated

Let's hope for better weather at the next match, higher turnout and better weights
