Morning Fishing Buddies – Another great turnout today with over 20 geriatrics turning up to demonstrate their angling skills (Ahem!).

It won't be long before the cold weather will reduce this number, where only the hardy few will turn up smelling of **"Vic"** and **"Wintergreen"** with Hacking coughs and flasks full of coffee and whisky (mainly whisky) and wrapped in 12 jumpers and coats and looking like the **Michelin Man** had let himself go for most of 2020.

Also, a big shout out to Stonham's **"Pigeon Whisperer"** Robin Leach who single-handedly rescued a baby pigeon today when it had obviously got pissed the night before with his pigeon mates and woke up and fell out of its tree into Robins Swim.

Now, most of us would have stuck fins on it and tried to weigh it in, but not **"Saint Robin of Hadleigh"**, he carefully netted the poor bloody thing and placed it next to his rod bag to let it "dry out". The pigeon's gratitude was to crawl into Robins pole roller bag and leave a little message of love....Ahhhh!

Robin rang me last night and said how much he enjoyed his **"Pigeon Brulee Pie"** that he had for tea last night and he would bring some on Sunday for the Lads
