Morning all – 26 Anglers turned up today to fish in “Breezy” conditions, many of the anglers had to use “No More Nails” to keep their hairpieces in place. It was so Windy, we were expecting Mary Poppins to give the “All-In” but with the strong wind she overshot and ended up taking part in a “Feeder-only” match at Suffolk Water Park.

In fact it was SO Windy...some of the birds from the Stonham Birds of Prey Centre came by me...Backwards, it was very strange seeing the Bald Eagle and an Owl being chased by there food!

Great weights on both lakes this week, with the top 3 on Section 1 on the New Lake all scoring over the 100lb mark. Some of the lads were so knackered after the match we ran out of Sanatogen and Multivitamin pills just to get them fit enough to drive home.
