Morning all you budding Bob Nudds...22 of us today on the lakes, 12 on the Old Lake, 10 on the new...we are all now seeing the effects of winter coming on with the fish all seeming to have joined "Weight-Watchers" and refusing to be tempted by our "Spicy Cat & Pineapple" Pellets or "Leftover Lasagne" Wafers.

This weeks subject "**Choosing your Peg**" – It is quite simple really, 1. Turn up, 2. Pay us your hard earned Sheckles , 3. Choose a lake and...4. We give you your Peg...Ta Dah!

On the whole, this process seems to work, BUT some of our lovely older gentleman turn up at the cabin and seem to have difficulty following this 4-step process. For some it depends on: -

- Is the wind coming from the east?
- Have I left the oven on?
- Is it the wife's birthday?
- Which side I am dressed on this morning?
- Am I wearing my lucky jock-strap?

When you turn up later than the others to draw and there are only 1 or 2 pegs left, it's no good asking "**Are there any Good Ones left?**" or "**Draw me a good one?**" **NO – it's the last bloody peg.**
