Well... **12 brave souls** fished today (2 more than last week), 8 fished the Old lake and only 4 on the new lake. Out of the 12 pre-drawn pegs for the new lake, **Steve "Lucky" Bennett** only went and drew the 4 "**Corner**" pegs on the new lake which as we all know are the best pegs on that lake.

The last time I saw Steve yesterday, he was running down the driveway with a **£1 coin** in his hand shouting "**Pack yer bags Christine – we are off on a 2 week luxury holiday in Grimsby cos I'm gonna win the lottery**"

It was like fishing with a Giant Ladies hairdryer set on "**Bloody Freezing**" with her best mate sprinkling ice cold water in your face for **6 hours**...Lovely

Although the weights were to be expected on the Old Lake, it was very different on the new lake with "**Army**" **Mick** winning on peg 15 with a brilliant weight for this time of year of over **111lbs**.
