**Hallow-Ween** Fishermen, welcome to this week's pun filled **Spooky** edition.

As usual a **Skeleton** crew comprising of "**Alarming**" Alan, "**Scary**" Steve and me ("**Ghoulish**" Gerry) sorted out the pegs in our **Coven**, **cackling** away as we "Fix", er...I mean sort the pegs fairly in order to use our **magic** to have a fair match.

**Alarming** Alan used his new **Cauldron** to make his **Ghastly** hot drinks, (eye of newt, ear of a bat with two sugars please) **Witch** is always appreciated by the little **Devils**

Nearly 20 **Souls** turned up for today's **Horror-Story** match although some had some really good **Spells** at times.

Personally, I thought my performance today was complete **Warlocks**, I **cauldron** (*I know I'm sorry but it's the best I can do*). hardly get a bite all day

Norman on the s**Hallow** lake though was a **Wizard** Angler with over 41lbs of fish (**Witch** was great but no **Ghost** Carp). On the Match lake "Steve "F" **conjured** up nearly 30lbs fish. Both were as happy as **Harry Potter** giving **Malfoy** a good thrashing with their **Nimbus 2000's**, So 100 points to **Gryffindor** and sod-all for me again.
