Well folks, as normality starts to return (all be it at 2 metres apart) an excellent turn out of 28 Anglers turned up for the match.

Alan (The Owner) has organised the match so it takes place in safety and following the correct guidelines.

When each angler turns up: -

- They answer 3 questions regarding COVID19 – if ok then fish, if not...“Bugger off home” until you get better
- State which lake they want to fish and “drop” their fees into a high-tec plastic receptacle (old ice-cream tub) and wait patiently 2 meters apart until the draw
- Alan calls each angler forward and draws them their peg
- Fishing starts / Fishing ends
- Alan / Martin / Angie do the weigh in (again 2 metres apart)
- Winnings paid out with Rubber Gloves

The Results are as follows: -

Currently, there seems to be a preference for a majority of the anglers to fish the OLD Lake. Alan is limiting anglers on it to 15 to keep the social distancing in place so if anglers want to fish it they got to get out of their beds and get there EARLY.

There is space for 30 anglers on the lake with social distancing still being possible but it means we will have to peg anglers closer together - perhaps we all need a quick chat with Alan to decide how we go forward regarding this issue so that we get no complaints and everyone enjoys their day.

Finally – we must have some really wealthy people at Stonham as each week, winners go home without collecting their hard earned dosh??? We realise some of you have to leave a bit sharpish because you live in Scotland or Cornwall or Pettaugh..but please let us know so that we don't have to stay till Midnight searching for you talented Anglers – See you all next week
