Morning Campers – A brilliant 29 Anglers turned up yesterday to fish Stonham Barns weekly equivalent to Geriatric Fish-O-Mania with 14 ageing bones on the Old Lake and 15 more sprightly peeps the new...I was on the OLD by the way.

Well, it seemed where I was fishing there was less fish than what is in an Eastern Europeans Fridge. Up until to 3pm I had 3 bites (and lost them) then I got a fish at 3.05pm and then 3.10pm. Still they were a good size and saved me the embarrassment of a "DNW"

However, there were still some good weights with "Stormin" Norman winning on the "Old" lake with nearly 38lbs and Beach-Hut Danny winning on the new lakes with 64 lbs – WELL DONE CHAPS!
