## For and on behalf of Stonham Barns Park and The Aspal Theatre

Stonham Barns Park is pleased to announce that The Aspal Theatre will be performing a complete live internet theatre show, 'Locked in Live!'.

Locked in Live will be delivered to you via Facebook Live and YouTube live, next Saturday 28<sup>th</sup> March at 6pm. Not only do we get to perform for you which you know we love doing, but we also get to support our performers in these difficult times.

Now is more important than ever, a time for looking after one another and we hope to bring you some joy and laughter.

Hosted by International award-winning magician and entertainer Robbie James, the show will be completely interactive. Viewers will have the opportunity to take part in a live raffle as well as a real time photo competition to win some tickets to The Aspal Theatre's Christmas pantomime, Jack and the beanstalk. illusion, hilarious comedy, a juggling sensation, aerial artistry and much more, this is an online, live extravaganza not to be missed.

Robbie James, Theatre Manager said “The people that are in the cast of this show are not just fantastic performers, but they are also my friends. All of these people including myself have been affected massively with this horrible virus outbreak. My income for example relies on children’s birthday parties, weddings and the theatre shows, most of which have all been postponed meaning no income. I know these cast members are all in the exact same boat, so I wanted to use the theatre not only to provide some entertainment for those at home with nothing to do, but also to help these performers through this horrible time”.

You can tune in to “LOCKED IN LIVE!” by visiting The Aspal Theatre’s Facebook page [www.facebook.com/aspaltheatre](https://www.facebook.com/aspaltheatre) or the Stonham Barns YouTube channel. Please note, you do not need a Facebook account to be able to watch our live theatre show.

Even though the show will be completely free to watch on Facebook live and YouTube the performers will be accepting donations for their performance. This is a very tough time for everybody but certainly for the people in the entertainment industry with this being their only form of income.
